Field Officer

Over 5 Years of Experience

Dedicated Field Officer with over 5 years of experience implementing community development and humanitarian programs in rural and semi-urban areas. Skilled in community mobilization, field data collection, and project monitoring. Passionate about working directly with communities to promote sustainable change and improve livelihoods through participatory approaches.

Skills

Community engagement & mobilization	Field data collection & reporting
Training & capacity building	Monitoring and evaluation (M&E)
Health, education, and livelihoods programs	Stakeholder collaboration
Beneficiary needs assessment	Documentation & report writing

Work Experience

Field Officer – Care International, Nairobi | 2018 – Present

- Coordinated field implementation of a WASH and nutrition project across 15 rural communities, reaching over 6,200 beneficiaries.
- Conducted regular community meetings to promote hygiene practices, resulting in a 40% reduction in waterborne diseases within a year.
- Collected and verified field data for monthly and quarterly reports submitted to the donor and project headquarters.
- Trained 60 community health volunteers (CHVs) on hygiene promotion, nutrition, and monitoring techniques.

Project Manager- Red Cross Society, Nyeri | 2014 – 2018

- Mobilized communities for education and livelihoods programs, increasing participation in adult literacy and vocational training by 35%.
- Assisted in distributing food and non-food items to 1,500 vulnerable households during drought response operations.
- Facilitated focus group discussions and key informant interviews for needs assessments and impact evaluations.

- Organized school awareness campaigns that improved girls' enrolment by 18% within two academic terms.
