Work Experience

Community Mobilizer – Care International, Nairobi | 2018 – Present

- Designed and implemented M&E frameworks for **8 community development projects** across health, education, and livelihood sectors.
- Collected, analyzed, and reported data from **over 25,000 program beneficiaries**, improving reporting accuracy by **35%**.
- Conducted baseline and endline surveys that informed project design and donor reporting.
- Developed data visualization dashboards in Excel and Power BI, enabling real-time tracking of project outcomes.

Community Mobilizer - Red Cross Society, Nyeri | 2014 – 2018

- Supported the M&E team in collecting and compiling data for child protection and education projects.
- Conducted field visits to verify data quality and ensure accuracy in reporting.
- Assisted in creating performance indicators and monitoring tools aligned with project objectives.

- Worked with community volunteers to strengthen grassroots data collection systems.
