Work Experience

Volunteer – Care International, Nairobi | 2018 – Present

- Supported community health awareness campaigns reaching over 3,500 residents in rural Kisumu County.
- Assisted in organizing blood donation drives and first-aid training sessions in collaboration with local hospitals.
- Helped distribute emergency relief supplies during floods, ensuring over 400 families received food and hygiene packs.
- Collected field data for disaster response reports and supported logistics for humanitarian aid delivery.

Project Manager- Red Cross Society, Nyeri | 2014 – 2018

- Participated in child protection awareness sessions and engaged local leaders in promoting children's rights.
- Conducted door-to-door sensitization on sanitation and menstrual health, reaching over 1,000 households.
- Assisted in documenting success stories and community impact reports used in donor presentations.
- Helped coordinate youth empowerment workshops that trained 120 young people

in entrepreneurship and financial literacy.
